upon the State, and placing portions of it un-der Negro domination.

We congratulate the people upon the econ-omy and wisdom of the expenditures by the Democratic party since it has had control of the State, and we refer with pride to the fact that when it was transferred from Republican control to the guardin-hip of the Democratic party. A NEW variety of Coal just received, for sale at the Charles Town Elevator. What is remarkable about this celebrated Coal, it is a Semi-Bluminous Coal, partakes of the free burning quality of Chimberland Coal, and of the cleanly quality of antiractic. Brown as burning quality of Camberland Coal, and of the cleanty quality of auttracite. Burns as freely as dry blekory wood, will outlast any other Coal in the market, making no cinders and is perfectly clean of slate. It has given satisfaction to all who have used it, and all we satisfaction to all who have used it, and all we ask is a trial order. For the convenience of my customers I have placed a slate at Mr. S. C. Young's meat store, next to the post office, where orders can be left or by postal card.

Also keep on hand First-Chass Roller Flour and Bran, as well as all kinds of Hard and Soft Coal.

Pilsener Export Beer, It is the purest and best beer that is made. It is brewed especially for us from the choicest Bohemian Hops, and the finest quality of Canada Malt. We are the only persons south of New York who use Bretague's Automatic Bolding Machine in Bottling Beer. It causes our bottled Beer to be equally as good as draught beer, and every glass to have as lively a taste, because while undergoing the bottling process the Beer is not exposed to any air A trial of this beer, bottled by the NEW PROCESS, will convince you of its
